President's Letter ***March 2018***

I was very happy we closed our chapter with a two day seminar taught by Prudy Vannier , who was a delightful person as was her husband. One of the dinners we took them to was at Meg O'Malleys and they loved it—plus soup for only 18 cents.

I personally enjoyed the classes and hope everyone else did, her elves are cute and fun to do.

I'm sorry to see that Brevard Brushstrokes will no longer be a chapter. I will go with lots of memories, wonderful painters and will miss seeing everyone every month. We were a great group of painters that loved to paint, eat and support several of the local charities and we had some great years together!!!

The website will still be up and our Facebook accounts, so if anyone wants to share anything your welcome to use them and it's a good way to keep in touch.

God Bless and take care – you will be in my thoughts always,
